

## Workforce Training Evaluation Outcomes

**Shasta Mental Health Services Act (MHSA) Academy** – Between July 1, 2017 and June 30, 2018, 42 people participated in the academy, of which, 37 of them completed all required hours. Shasta County Health and Human Services Agency (HHSA) hired two graduates of the MHSA Academy to work as Peer Support Specialists. Four other Academy graduates have become HHSA employees in other job classifications. Many other graduates have gone on to receive further education in the field and are planning to become case managers, social workers, and psychologists upon graduating from college. All MHSA Academy graduates have completed the Question, Persuade, Refer suicide prevention training.

**Shasta College Student Volunteer Internship Program** – As of June 30, 2018, at least 10 people who graduated from this program have gone on to become employed in the public mental health field, and at least four are in graduate school pursuing a degree in social work.

**Wellness Recovery Action Planning (WRAP)** – As of June 30, 2018, WRAP Level 1 training has been provided at the Woodlands, Circle of Friends, Hill Country Counseling Center, Hill Country CARE Center, the Olberg Wellness Center and on the HHSA campus with at least 50 people participated in WRAP groups. Three Level 2 trainings were provided during this reporting period, resulting in a total of 33 new, certified WRAP facilitators. Shasta County HHSA partnered with Butte County to assist with their first Level 2 training which accounted for 17 of the newly certified WRAP facilitators. One HHSA staff member and two staff members from Circle of Friends completed Level 3 WRAP training to become certified Advanced Level WRAP facilitators (ALFs).

**Office of Statewide Health Planning and Development** – From 2009 through 2017, 66 loan assumption awards for total of \$383,083 have been given to people who work in Shasta County's public mental health:
